

CUSTOM COVERS AND OUTFITTING FOR RACE YACHTS AND SUPERYACHTS

GRAND-PRIX DESIGN AND INNOVATION

Combining our own expertise with feedback from our clients and development teams that include America's Cup challengers, Maxi and TP52 World Champions plus some of the highest profile superyachts currently afloat, we continually develop our product line to ensure we offer the most innovative solutions to our clients.

At our custom built 300m² production facility in Palma de Mallorca we combine traditional handskills with 2D and 3D computer modelling to create the highest quality products possible.

“Jethou was given a full ‘COVER’ make over both inside and out by the team at Loft Customs after our winter refit. Their innovative approach combined with an ability to meet short deadlines make Loft a standout company in their field”

Stuart Branson - Boat Captain, Maxi
77 ‘Jethou’

Superstructure and deckhouse covers

- Traditional templating and CAD modelling capabilities
- Classic and modern aesthetics to suit each client
- Highest quality materials and finishing

Sprayhoods, biminis and enclosures

- Custom templating
- WeatherMax, Sunbrella and Stamoid fabric options
- Fully customisable designs including zip-down and removable window panels
- Extensive reinforcing and highest quality finishing details

Awnings

- 3D tensile modelled with wind load analysis for optimum stability
- simplified attachment points for ease of use and aesthetics
- main boom awnings, foredeck awnings and custom designs
- optional mesh side panels for increased shade and privacy

Coaming and cap-rail covers

- protection from UV and sailing/deck operations

Hardware and rig protection covers

- Furler and swivel covers
- Runner, fly block and snatch block covers
- Custom deck, rig and bowsprit protection

Custom line storage solutions

- Single or multi-compartment options
- Composite reinforcing creates rigid, shape holding bags
- Solutions for free-standing bags or mounting to grab-rails, framing, boltropes or guardwires.

Padded storage bags

- Passarelles and swim ladders
- Davits and anchor arms

Accessories and chase boat items

- Custom sail bags
- RIB storage covers
- Custom fenders
